Status

The championship has not yet started (it opens 11 July 2026). Entry lists are published, but no tasks have been set and no results exist — get_class_tasks returns 404 and get_contest_winners is empty. This report covers the registered field only.

Summary

88 pilots registered across 3 single-seater classes, representing 22 nations — 20 European plus two guest nations (Argentina and Israel, in Standard class).

Notes: All three classes are single-seaters, so entries equal pilots. Nationality is taken from each contestant's pilot record. Argentina and Israel are non-European guest entries in Standard class — they normally fly but do not count toward the European title. Aircraft are predominantly JS3 / AS33 / Ventus 2 / Diana 2 (15 Metre), LS3 / LS4 / ASW-20 / Discus / SZD (Club), and LS8 / Discus 2a (Standard).

Once the contest is flying, per-task points, daily and cumulative standings, and final podiums can be added from `get_task_points`, `get_class_results` and `get_contest_winners`.
